For supporting Mango Tree Plantation Project, helping (Below Poverty Line) Farmer's in their Livelihood.  
Together we achieved a target of planting 11000 Grafted Kesar Mango Trees this season

Government is promoting tree-based farming for maximizing farm returns and providing sustainable livelihood to farmers on Agroforestry to encourage tree plantation on farm land "Har Medh Par Ped", along with crops/ cropping system. Which will help the farmer get additional income and make their farming system more climate resilient and adaptive.

*Thank you for being awesome and supporting Mission Green Mumbai.*  
An initiative inspiring every Citizen to grow their own Oxygen by planting a TREE.
